

It has come to my attention that Sinclair Broadcasting has ordered its 62 stations to preempt regular programming to air an anti-Kerry documentary just a few days before the November election.

Sinclair's mission is clear: sway the election in favor of an administration that lets companies like Sinclair get even bigger. It's great for Sinclair's bottom line – terrible for our democracy.

This is not about 'liberal' or 'conservative.' It's about corruption, the threat to democratic discourse, and the manipulation of elections. This is unacceptable. The public airwaves should not be used for partisan gain. The FCC should do the right thing and disallow this partisan abuse of the public airwaves by Sinclair Broadcasting.
